Dragon Crown Wins “Best Investment Value Award for Listed Companies 2016”

(December 12, 2016 - Hong Kong) **Dragon Crown Group Holdings Limited** (“Dragon Crown” or the “Company”, Stock Code: 935; together with its subsidiaries, the “Group”), a leading integrated terminal service provider in China, specializing in the handling and storage of liquid petrochemical products, is pleased to announce that the Group has received the “Best Investment Value Award for Listed Companies 2016” (BIVA Award) from the Hong Kong BIVA Award committee. Dragon Crown was recognized for its excellence in business development and corporate governance.

Presented on December 12, 2016, at the JW Marriott Hotel Hong Kong, the BIVA Award honors listed enterprises with a high standard of corporate governance and transparency. The BIVA Award also promotes best practices for corporate governance and investor relationship management, and rewards those companies whom achieve fair market value through proactive market communication.

The management of Dragon Crown said, “We are deeply honored to receive the award and again it proves that the market has recognized the efforts paid by Dragon Crown. We have been maintaining close and two-way communication with the capital markets via various channels, as well as keeping high level of transparency in disclosure of information. Thereafter, we will continue to uplift the standard of corporate governance and transparency and will pay more effort on business development so as to reward our shareholders.”
