Tonghai Financial is Honoured with Financial Services Awards of Excellence 2019

In Recognition of its Extraordinary Achievements in Asset Management and Diversified Securities Management

Tonghai Financial has reached new heights of excellence in Financial Services, sweeping two accolades at Financial Services Awards of Excellence 2019 - China Tonghai Asset Management scooped the Awards of Excellence-Asset Management while China Tonghai Securities garnered the Awards of Excellence-Diversified Securities Management.

The Award presenting ceremony was successfully held on 29 of March 2019. Mr. Army Yan, Chief Investment Officer of Tonghai Financial attended the award ceremony and accepted the award, says, "The awards honour Tonghai Asset Management with significant recognition and encouragement. Since long ago, China Tonghai Asset Management provides high quality of investment services for institution and individual clients. In-depth investigations and full coverage of networks over the Greater China equip China Tonghai Asset Management to maintain the leading position of service provider in its industry. In the Future, our team will devote to engage sustainable and stable benefits, as well as optimizing time management and taking good care of every client's needs."

Mr. Calvin Chiu, Deputy Chief Executive Officer of China Tonghai Securities says, "The awards symbolized that China Tonghai Securities is well appreciated by the industry as a benchmark of excellence. From now onwards, our team will continuously provide clients with high quality of investment platform and better services."

Organized by Hong Kong Economic Journal, The Financial Services Awards of Excellence 2019 aims to give due recognition to enterprises who operated and executed excellent Financial platforms. The judging committee is formed by the business professionals, communities and HKEJ editorial team. Candidates were selected from the sectors of Banking, Finance, Insurance, Fund and MPF, and Information Technology. After nominations, the committee then bases on four categories: business performance, innovation and creativity, marketing strategies and public recognition categories to select the most representative enterprises. By winning a total of two awards in this financial year, not only showing the company's outstanding performance, but also reflecting our effort is fully recognized by the

market and investors.
